HIGHLANDER

2022 HIGHLANDER

GO FARTHER TOGETHER WITH GREAT CONFIDENCE

Highlander's driving experience is designed to offer you ultimate confidence, rock-solid usability and outstanding performance. Sophisticated and stylish, Highlander delivers a smooth ride with uncompromising levels of comfort and security.

Feature availability may vary by model grade. Contact your nearest dealer for more information.

EXTERIOR

**STYLE
THAT'S HARD
TO IGNORE**

Feature availability may vary by model grade. Contact your nearest dealer for more information.

INTERIOR

RIDE COMFORTABLY WITH CLASS.

Highlander ups convenience and elegance with its captivating, and modern interior. From rain-sensing wipers to an available 12.3-in. touchscreen display that gives you access to a variety of its systems with an intuitive touch, luxury is at the forefront. Even the stylish center console features available to bring more ease to your drive.

Feature availability may vary by model grade. Contact your nearest dealer for more information.

INTERIOR

PREMIUM INTERIOR

Feel the quality from every seat. A standard power-adjustable driver's seat, available heated and ventilated front seats, and available heated second-row seats allow you and your crew to personalize comfort, while the premium materials throughout raise its level of sophistication.

Experience unlimited comfort and peace-of-mind, just as if you were relaxing at home. To achieve this for all vehicle occupants is HIGHLANDER's mission.

LUGGAGE ROOM

The large luggage room is capable of storing heavy loads for long-term travel. Fold the second- and third-row seats to maximize the space.

Feature availability may vary by model grade. Contact your nearest dealer for more information.

INTERIOR

HOMELIKE FEATURES

POWER OUTLETS

Multiple power outlets for various mobile devices are located within easy reach.

CONSOLE BOX

The lid and inner tray slide and can be stored in the console box, substantially enhancing convenience.

HEAD-UP DISPLAY

A large head-up display on the windshield lets the driver easily check information necessary for driving.

PEACE OF MIND COMES STANDARD

Blind spot monitor

A vehicle in the outer mirror's blind spot during lane-changing turns the BSM's mirror indicator on to alert the driver.

Rear cross traffic alert

The RCTA detects approaching vehicles in hard-to-see areas behind the vehicle when backing up.

Get the most out of every mile

The HIGHLANDER Hybrid is available with E-Four - Toyota's motor-assisted four-wheel drive system that simultaneously achieves exceptional driving performance and fuel efficiency for hybrid vehicles. The system produces powerful rear-wheel torque via electric motors, which helps achieve a new dimension in hybrid driving suitable for the HIGHLANDER.

SRS airbags

Available are driver and front-seat passenger airbags, a driver knee airbag, front side airbags and curtainshield airbags for all three rows.

PERFORMANCE

PUSH THE LIMITS OF EVERY DAY.

Whether you're hustling around town or venturing out to see what nature has to offer, find your confidence growing every time you're behind the wheel of Highlander. Thanks to a combination of a strong V6 engine and versatile capabilities, Highlander makes getting there part of the adventure.

XSE sport-tuned suspension

Unique to Highlander XSE, sport-tuned shock absorbers, higher-rate springs and a rear stabilizer bar give you better road handling, while its lower, athletic stance shows it's ready to hit the ground running.

Multi-Terrain Select

For Highlander AWD models, this intelligent system lets you choose between four modes for improved traction. When activated, the system is designed to sense slippage and regulate wheelspin - helping to maximize driving performance on different surfaces. ready to hit the ground running.

Available drive modes

Three distinct drive modes let you tailor Highlander's driving dynamics. Sport Mode provides sharper acceleration, Eco Mode helps maximize fuel efficiency, and Normal Mode blends fuel economy with performance.

Dynamic Torque Vectoring AWD

This available system improves responsiveness and stability by sending up to 50 percent of the power to the rear and then further distributing more power to the wheel that needs it.

AMPLIFY YOUR DRIVE.

Take advantage of smarter and convenient technologies designed to simplify your everyday life. From a suite of services that are there for you 24/7 to an immersive audio multimedia system, you can stay connected to your world.

Audio Multimedia

Make every drive more personal. By utilizing your vehicle's touchscreen display and audio multimedia capabilities, you'll always have access to what you want. Whether it's listening to your favorite playlist or finding the most scenic route to your destination, you'll enjoy the latest in connectivity and technologies that are all about you.

Apple CarPlay®

Bring along a familiar face. With Apple CarPlay^{®17} compatibility, you can use your compatible iPhone^{®18} with the audio multimedia system to get directions, make calls, send and receive messages, and listen to music — all while staying focused on your commute.

Android Auto™

Stay connected on the road. By pairing your compatible Android^{™19} phone with the audio multimedia system, Android Auto^{™20} lets you access your Google Assistant⁶⁶, get real-time traffic alerts, make and receive phone calls, listen to your favorite soundtrack and more.

SiriusXM® w/3-month Platinum Plan trial subscription

SiriusXM^{®21} has premium entertainment that you won't hear anywhere else. With the Platinum Plan, you get 350+ channels, including 165+ channels in your vehicle, to enjoy ad-free music, plus sports, news, talk, comedy and more.²²

Amazon Alexa

Almost anywhere the road takes you, Amazon Alexa²³ connectivity follows. With a smartphone connection and the Toyota+Alexa app, all you have to do is ask Alexa to play music, listen to audiobooks, hear the news, check weather, control smart-home devices and more.

JBL®

Feel the difference and hear the truth. Designed specifically for Toyota, JBL^{®24} finely tunes each speaker to the interior of the vehicle. Just turn up the volume to hear the crisp, rich, vibrant sound come through.
